

Dance Weekend Location

Take the Colorado Blvd North exit off of I-25. This is in south Denver near the University of Denver (University of Denver is the Colorado Blvd South exit – be sure to take the exit heading north). Go a few short blocks to Florida (just past the shopping center on the left with the Safeway) and turn left onto Florida.

Merrill School is on the southwest corner of Florida and S. Monroe, just a few blocks west of S. Colorado Blvd.. Pass Monroe and turn into the second parking lot on your left. The entrance to the main gym, which is one of our dance halls, will be at that corner of the school. This is the only door to the school that will be open during the weekend. (See second map below.)

The school should be easy to find, but should you have any problems, Marilyn’s cell is 415-637-4634.
